### ABOUT THE COMPANY

Moorambilla Voices Ltd. is an extraordinary, award winning multi-arts development program engaging talented rural and remote children and youth from the Northwest region of NSW. Over the last 21 years, the program has grown significantly in its capacity and reach and now delivers workshops and arts activities to over 4,000 participants annually. The organisation has a long history of innovation and excellence that inspires audiences to imagine the world from new perspectives - and see that life is full of possibilities.

For two decades, Moorambilla Voices has been supporting children and youth to experience the joy of the creative arts through its annual program. Participants, aged 8-18, from over 137 schools and 22 LGAs attend free in-school workshops, and from this cohort approximately 300 participants are selected to attend residency camps. The camps provide the opportunity for the children and youth to co-create new Australian works with arts professionals inspired by the land, waters, stories, and cultural heritage of the Indigenous communities of regional NSW. These works are performed as part of the annual Moorambilla Voices Gala concerts. The districts within which the Company works is designated rural or remote and has a high percentage of disadvantaged youth and children due to isolation, lack of facilities and educational opportunities.

Through multi-disciplinary arts programs and performances, the Company draws on the cultural legacy and spirit of the country with recognised leaders in our field to spark national conversations on inclusion and respect. Moorambilla's program aims to include over 30% of participants that identify as Indigenous over the four ensembles.

Our impact is far-reaching and profound, inspiring and empowering regional youth to dream big. The Company is built on the core values of:

INTEGRITY	Transparency underpins all that we do.
RESPECT	Our work is culturally safe, free of appropriation, honours First Nations people's stories and voices, and respects cultural knowledge and boundaries.
ACCESS	All young people are given the opportunity to thrive.
PERSISTENCE	The work is challenging, but the rewards are vast. Our commitment to regional New South Wales is enduring and unwavering.
CONNECTION	We are all nourished when we connect, listen, share and collaborate.
BELIEF	We never doubt the boundless potential of young people and the power of genuine cultural exchange
